Your two letters just caught up with me. Sorry I have been so out of touch, but as you can see, I have been swept up by other currents. It is very interesting and illuminating to get out of the U.S. for a while & look at it from a distance. I find your letter of 10/24/70 very confusing. I don't know who Sheehan or Butler is. Sheehan may have confused N.O mag at one time. Why don't you write the mag for an unexcerpted copy. I don't recall a pic of mine appearing in an article there but it may be. As for other pictures, a copy of everything I took in Dallas would be futile and hopelessly expensive. I don't think there is much of use to you in my files, but you are welcome to see, the next I can do from this great distance is suggest you visit B.S. offices (459 Park Ave S.) & go through the contact sheets. There were two other B.S. photogs there at the time & you can see their stuff too. Then order prints made of anything you want. So long as they are not published the charge will be nominal. Call Harrison Chapnick to make the arrangements (212) YU 9-3288. Ilha/Canary Islands our next stop. Address: Calle Pestalozzi
